Remembering many fun times my parents had with Glenn and Freddie over the years. And as a child we got together with this family occasionally and have fond memories of those times. Sorry we are out of state and cannot attend any of the services, but know we are with you in thought and spirit. May all the special memories bring you peace.

“ *I can't help but smile when I think of Glenn. He upheld the Masonic principles in everything he did and always had a minute to chat.*

Freddie, please know that we think of you often and our prayers will include you.
