“ Mom, I miss you so much. I think about you all the time and how much I love you. I use to be able to pickup the phone and call you whenever, but I can't do that anymore. I am selfish but I want you back here so bad. You are missed by so many because you touch so many peoples lives when you were here. I hope that I will see that beautiful smile of yours again. I love you,

Your daughter Connie
