“ I can never remember not knowing Greg. Greg and Beccy Lindstrom were the first friends I had as a child growing up since we were all next door, back yard neighbors. Castle Hill, Edison, and Central High, he was the nicest guy always. Sympathies to the entire family, he will be missed.

“ "To die one's self is a thing that must be easy, & light of consequence; but to lose a part of one's self--well, we know how deep that pang goes, we who have suffered that disaster, received that wound which cannot heal."

Samuel Clemens- Letter to Will Bowen, 11/4/1888

I am deeply sorry, Sheila, Steve, Jeff, and Kim. I am, myself, without words.

“ Dear Sheila, I was stunned to read the news. I don't know if you remember me from German class but you may or may not know that Greg and I were good friends and even shared experiences at UNI in the Glee Club. I hope that you are well and please know that you have my most sincere condolences and that Greg is remembered both near and far.

peace,
