“ I know this is a few years after his passing. I just saw on the web of his passing in 2011. I'm Bill Quicksell one of Greg's best friends in several years of School. I have often searched his name on FB and couldn't find him. I have many Fond memories hanging out with him at their home in Montrose, cruising the big town of Donnelson and the bigger towns of Keokuk and Ft Madison. I truly regret not making contact with him to let him know how much he meant to me and I will love and miss him dearly

Kylie, you had a special papa. He loved you very much. I remember how much he "lite up" when he taled about you. That joy never changed as you grew up, it only got stronger.
