“ Gudren was a classmate of mine at Gates business college in Waterloo 1969-1970. She and I were friends. Every week Gudrun would visit the Black Hawk Health facility on Independence Avenue to visit with residents who rarely got visitors. She took me with her a couple of times and the joy these residents got when Gudrun came was beautiful

I just learned of Gudrun's passing last month from another Gates College student. Gudrun was truly a person who honored Jesus by her life of service to others.

Gudrun was my girlfriend at Logan Junior High. We went to see the movie Diamond Head while seeing each other. Later on in life I was blessed to meet her again. I should have married her after high school but the US Marine Corps owned me for the next 22 years. Gudrun was model quality in appearance and as feminine as any that I have ever encountered. We spent hours her teaching me to say her name and learning to speak German. We would spend hours singing in the car. Her favorite song was Right or Wrong. She had the voice of an angel. It is with great sorrow that I say goodbye to this rare example of what a lady should pattern her life after but with great joy that Gudrun is in glory with the Lord.
