“ Since we have been communicating recently by phone I still did not realize that Dean was as seriously ill as he was. We had many good times when we all ran around together in Cedar Falls with all our kids. I remember the week we spent with all of you at that lake where you had rented a cottage and we drove our RV up there and parked out back. Had a lot of fun that week and doubted that the cottage owners knew we were out back. Also, I want to thank Wilma for turning me on to the her neighbor who was a doctor and he fixed my back which I thought would hurt me forever. I have tried to call you twice Wilma but did not know about Dean, so when you feel up to talking again I will await your call. Love to all the family Sharon Macon

“ *Dean was an early mentor of mine in the real estate business when I started in 1972 and he was a true professional to learn from. Vern Holmstrom and Dean were a couple great Realtors to witness and they had the respect of the entire Board of Realtors membership. I'll never forget him and send you my heartfelt sympathy and prayers for support.
