“ I am so sorry to hear about Uncle Harry passing. It is sad to loose a parent. Just remember all the days you have smiled together and laughed together, he will be with you when times are ruff and when times are good, he will be forever in our hearts and in our memories. I can still remember him and my dad an me looking at the pigons and me making the sounds. . . . laughing. Sending all my love Leslie

“ We will miss Uncle Harry so much. I remember how proud he was of his pigeons and liked to talk about them and explain what they were capable of. He was a great family man and was willing to help others when they were in need. I lived with Harry and Bev for awhile and it was something I can't say thank you enough for. Again, he will be very much missed.
