“ Rest in peace uncle Harvey. A lot of very good memories of Harvey and my dad. Thoughts and prayers go out to Rick, John, Pam and Mark.

*I really enjoyed talking with Harvey when my dad passed away in April of 2014. He looked and acted so much like my dad. He was a good man and I had a lot of respect for him. We lost another good one and I will certainly miss him.*

*Have lots of good memories of Harvey during the time he was a neighbor. Helped to rescue a mama cat from under his porch, still have a metal dust pan he made, sitting on the patio in the summer heat with our feet in a kiddie swimming pool, his singing from the alley during some kind of celebration, watching the Blue Angels swoop over the rooftop. Came into the kitchen one day when Jerry was cooking and asked him if he was going to eat that or already had (OH MY) Hope your memories will keep him in your hearts. My sympathy to the family.*

“ I met Harvey in the mid-eighties when he installed a furnace and an air conditioner at my residence. He probably would have finished the job in 3 days if we wouldn't have spent so much time talking. Harvey was one you instantly liked, trusted and felt comfortable to be around. When Harvey finally finished the job I wished I had more work for him, because I knew I was going to miss our conversations. My condolences to the Johnson Family.
