“Helen was always a bright shining light to me and my family (Schafer). We attended Valley View my entire life until it closed and I always remember Helen being there with a smile on her face and love in her heart. She was a wonderful secretary for our church even when it had closed she still continued to call my mother or me and let us know what was going on with other former members. I attended Waterloo Baptist Church with her and Mrs Drier I was so thankful for the time that I did get to spend with Helen. Me and my siblings grew up with Helen and our children grew up with Alan so there is much love from our family to yours at this time I will rejoice knowing that Helen has found her way home Amen

Thanks, Carolyn! She will be missed by many. She loved Valley View and her years at Woolco, then Wal-Mart. I am relieved she is no longer suffering, and with her Savior and her loved ones that passed before her.
