“ I never met Helen Logan, but I know she was a very special woman. She was a pen pal (of sorts) to my late mother, Alicia Huerta. Over the years, she would send cards, which included her beautiful artwork, and always had something nice to say. I'd share these with Mom since they always brightened our day. May you rest in peace. “ My grandma used to live next door to Helen at New Aldaya. My mom would take my son when he was a toddler to visit. Helen was always so sweet and kind to my son. Helen was a delight to talk to. I loved hearing about her painting and seeing her artwork. She was such a kind soul to our family. ❤️

“ Helen lived across the street from our family on W 11th St. She brought me scotcheroo bars when our twins were born. She was so friendly and kind and was a talented artist. You all have our deepest sympathy.
