

Hyo Myung

February 11, 2010

Professor Hyo Chul Myung passed away in Seoul, South Korea on February 11th, 2010, after a battle with pancreatic cancer. Dr. Myung resided in Cedar Falls, Iowa prior to moving to Seoul where he was President of the Korean Institute of Advanced Science. In Cedar Falls, he was a revered Professor of Mathematics at the University of Northern Iowa. He was also the proud father of his children, Karen, Peggy, Jane and Michael Myung. He leaves his children, his colleagues and students, and many close friends. He earned national and international distinctions for his contributions to mathematics and science. A graveside memorial and burial service will be held at Fairview Cemetery on 12th and Division Street in Cedar Falls, Iowa on July 24th, 2010 at 1 pm. Reverend Steve Williams from the First United Methodist Church will preside. The family will greet attendants prior to the ceremony at 12:30 pm at the gravesite. Memorial funds in lieu of flowers may be sent to the Dr. Hyo Myung Family Mathematics Faculty Enrichment Endowment fund at the University of Northern Iowa Foundation, 204 Commons, Cedar Falls, Iowa, 50614-0282.

Tribute Wall

“ I was fortunate to know Dr. Myung as a graduate student from 1977-78. He was always kind, yet demanding and that is what I admired about him - he drove us to higher standards. He has left behind a great deal for us to study - and now we must get busy. My regards to the family - I only learned of this now in 2011.
