“ Irene was a wonderful babysitter!
...remembering her glass birds and shoes,
apple butter and reaching the cereal on top of
the fridge with tongs

“ This time is always difficult. In high school I often visited Irene and George's home near the high school with Nancy at lunchtime. I enjoyed Irene's stories of old Hollywood. Thru George I was hired for my first teenage job. Many fun memories of relaxed occasions with the families. All the best, Angie
