“ Our sympathy from Alamo, TX to all of you. Mary Jo sends her condolences from Ankara, Turkey as well. Irma would do anything for you. She took care of our young kids when we were in Kansas with Kathy's seriously ill father and we got word that Roger's mother had died. Her very considerate and capable help at that time was a godsend for us and we never forgot that. We also did flower arranging together from our gardens and made a mess of apple pies to freeze! Much fun!
