“ I am very sorry to hear about Jackie's passing. We were friends and classmates in the CFHS class of '63, and I always enjoyed visiting with Jackie at our reunions. A few of my fiends and former co-workers worked with Jackie at UNI, and they always enjoyed those experiences, and spoke highly of Jackie as well. In reading some of the other expressions of sympathy, I gather she suffered some in her final months. Very sorry to hear that, and hope she is in peace now. Blessings and comfort to all of Jackie's family and friends.

“ Our prayers go out to the family of Jackie. She was a wonderful person that we got to know from spending time at our cabins and the exchanging Christmas cards every year. Will miss hearing from her.

My prayers go out to Jackie Family. She was my boss at UNI when I got in to custodial. She was the nicest person and took care of her staff. One of those persons you would do anything for. I was just thinking the other day wondering how she was doing. Sad to hear of her passing and know she is in a better place. God Bless Tim Carlson
