“ *To the family of Jackie Stalberger,
You have my deepest sympathy in the loss of Jacke; she was a long time active member of LMI. She shared her talent and support with the entire membership.*

I rememger when she first went into Hospice Care; I visited her and brought her some of her favorite jello.

she surprised us all and lived so many more years.

May God bless and comfort your family!

*Sincerely,
Mary Jane Shafer*

I won't be able to attend her service; our granddaughter and her family are here from California and the only time we can have them for Thanksgiving dinner is tomorrow.
