“ Jim, I will never forget you! There will never be anyone who can harrass me while I'm playing bingo like you did. All of your jokes that you thought were funny, really wasn't but we all laughed anyway simply because it was YOU that told them. I will miss your sense of humor everytime I step foot into the legion. But I know that you will always be somewhere around.
Gone but never forgotten!!! love ya Jim!

“ Happy trails my friend. I remember you 'cleaning out' your locker, Army style. Things flying everywhere, nobody went near your end of the bay until the noise stopped. But when you were done, everything was put back, and you were happy. You were one of us, and we looked out for each other.
