“ *I have known and loved Jami since her freshman year at West high school. I came to know the Flees family and I am forever grateful for the time I had with her. Her middle name "Joy" is so true! That smile, that contagious laugh, her sense of humor that always led to that contagious laugh! My fondest memory of her was as I was giving her rides home, the song "Fallen" had just come out from a very young Alicia Keys. Jami and I would turn the volume up and sing along, everytime it came on! Oddly I heard that song last Sunday and my first thought was that memory and of Jami. I'm filled with sorrow for every member of her family. Please accept my sincerest, deepest condolences*
