“ I’m so sorry to hear of Jana’s passing. Shocked, actually. I first met her at school events because our sons were similar ages. Over the years we crossed paths working on campaigns together with the Democrats, including making bracelets together for the Democratic National Convention last year. She really knew her stuff and I looked up to her wisdom about issues and political process. I will truly miss her.

“ In memory of our dear friend Jana Nelson. Jana was such a solid Democrat and a true cornerstone of our work here in Black Hawk County. She gave so much of herself, making phone calls, writing postcards, setting up for events, and volunteering at every booth we had. No matter what needed to be done, Jana was always there. She was the first to step up and say, “I’ll help,” and she meant it. She never disappointed, never, ever. We were so fortunate to have Jana with us for so many years, and we will all miss her deeply.💔

“ *I remember all the volunteering Jana did. I worked at St. Patrick church and knew of her there. She had washed and ironed the purificators for a long time and I offered to take over the job. That resulted in many years of volunteering for that job for me. Thanks to Jana for all she did for the Catholic community. Bette Lewis*
