Tribute Wall

“ We feel blessed that "Thumbie" was a part of our lives for the past three years. When I was reunited with my birth mom and siblings in June of 2005 after years of searching, JaNan welcomed me with open arms and made me feel as if she'd known me my whole life. It took no time at all for us to love her as the rest of our family always has. Her passing leaves us with saddened hearts but so grateful that we were able to know her.

“ Tom,
Was so sad when Adam called us about JaNan. Our thoughts and prayers are with you and your family.
We are still out of town and will not be back in time to attend the funeral. How I will miss my every morning golfing buddy.
