“ I knew Jane through the Retired School Personnel group. She was always so energetic that when I left her, I felt renewed. She always asked about my pets and was more than sympathetic when I lost one of my dogs. I will always remember her fondly.

“ I didn't know Jane as a teacher. I remember her as being full of energy. She loved to play sports. I met her on a bowling league. I was new at it and she was always so encouraging. The past few years she played in our golf league. The last year she had very little energy but still kept coming. She didn't want to use a cart but she couldn't walk it. She was the most active person I knew. I will miss you Jane.

*I met Jane on a bowling league at Valley Park Lanes. There could only be one Jane Jones. I do not know anyone like Jane. She was always positive, friendly, and easy to talk to about anything, full of energy and a very caring person. If she met you once she always remembered you and your family. I appreciated most about Jane was her sense of humor. I felt fortunate to be her friend. I will miss her smile and her positive attitude. So sorry losing your wife and partner John.*
