“ Our deepest sympathies on the passing of Janelle. I worked with her at Sartori Hospital and she was so kind and wonderful. Through the years I have had fond memories of the times we shared together at work and going out to dinner with my son. She was so very special and will be missed. I pray the Lord will be with each of you during this time. May God bless you always.

“ *Out best memory is of Aunt Janelle singing at our wedding over 40 years ago. The weather was horrible (snow storm) and we were so afraid she wouldn't make it - but she did and sang perfectly - even though she didn't get time to practice. She had a beautiful voice and helped make our special day even more spectacular.*
