“ She was one of the sweetest people I've known. We used to swing together, play on the teeter totter during recess We both use to wait to be picked. Last year I reconnected with her as I babysat her grandkids. We only saw each other a few times. The love she had for her grandkids was very apparent. And the love ❤️ and happiness as grandma pulled up just shown on their faces. Eyes lit up. RIP. There's a lot of people going to miss that smile
