“ *Jan was such a wonderful neighbor when we lived on Ranchero Rd. I was on one end and she on the other. She would call and say, "Kimberly, what's going on on your end of the road?" Jan always made me laugh and was so kind and giving. There are several plants warming someone else's garden that Jan shared with me over the years. I am sad to hear of her passing and I'm sure she's lighting up someone's day on the other side.*

“ So sorry for Aunt Jans passing! She will be missed but not forgotten by all of her friends and family! She had a way of lighting a room with her presence and happy laugh, great smile and twinkling eyes! Always asking and genuinely concerned she really wanted to get caught up and know that you were Okay and how you were doing! We have had some Great family times and memories! Aunt Jan was a big part of the love we felt and shared! Our Thoughts and prayers are being said for all to find comfort, peace & strength who are feeling this sadness
