“ *Pat and Family,
I was sorry to see that your mom died. Even though we were in different PEO chapters, it was always great to see her around Cedar Falls at the election polls, in Fareway, and other places. She always gave me an update on you and your family. My thoughts are with you.*

“ *Pat, I read this morning that your mother had passed -- my sincere sympathy to you and your family.
Your mother was always so very nice to me when we were in high school. I saw her a couple times during the mid-90's when I owned and was running the radio station on main street. She and your dad stopped in to see me!
Again - my heart felt sympathy to you.
