“ I first met Jason when he was 13 years old. He was a handsome, smart, young man, who wore his feelings on his sleeve. I haven't had much contact with Jason since then, but I shall miss him just the same. May the Lord grant all the family the great peace and joy that Jason now is experiencing. The Lord bless you all.

“ I offer my sincerest condolences to the family of a man that I admired as a employee and as a human being. When I knew Jason in the 90's, he always had a positive outlook on life and a smile on his face. I was shocked that his life ended so early and only hope that he didn't have to suffer. I pray for him and his family to have peace.
