“ *My father...Jerry Ray Cagley.
So much more than just that one man.
I will remember him in different ways than
others.
How he would do impressions of funny actors.
How he loved to clean and keep his home & garden.
Eating take out in the living room while watching a movie.
His beautiful smile and laugh.
Telling me the stories of his youth. Which usually included
my aunts & uncles.
I miss and love ya Pops.
I miss and love ya like only a son is able.
You live on in my memory. In my own stories' to others...*

*I have been thinking about you a lot lately. As it nears to
the anniversary of your departure from this world.
Two years have passed since you died.
Two years of my own life going by...
With love and light shining...*

I miss and love ya Pops.
