“ We are very sorry to hear of Jim's passing. We will miss him and his telephone calls. He brought love and smiles to our young family (now, grown) whenever we were able to spend time in Iowa. He and Helen always welcomed us into their home. We have very good memories of our time together.

“ I will always remember Uncle Jim for his genuine kindness, his radiant smile and those adorable dimples. He always had a joke or funny story to share. May he rest in eternal peace until we meet again. “ Jim and Helen have been two very special friends that we met at church back in 1969. Helen, Vicki and Penny would help "babysit" our two children, Greg 20 months and Cindy 2 months, while both Jim and Keith sang in the choir. We have treasured their friendship for many years and even after we moved to Minnesota we got together as often as time and distance allowed. Jim, always ready with a smile, with a joke and with a helping hand when needed. When we had water problems in our basement, Jim was right there helping to dig the trench and apply the tar; when our daughter was a toddler they babysat Cindy and helped her take her first steps, when our son got his drivers license Jim insisted that Greg drive his brand new car; and when our first granddaughter was born, Jim and Helen were made Jessica's honorary grandparents! We will miss him very much! Heaven's gain is our loss!!

“ Each time I walked into the front door at Parkview Manor, I hoped your dad was there and would have your mother out and about. They were such a bright spot in my day when I visited mom. I loved the way he bantered back and forth with her, no matter what subject she wanted to talk about. One day on their anniversary, I asked Helen how long she'd been married. She looked at Jim and said 'how long has it been?' Jim and I talked about it later and said 'she understood!' It's the little things when you deal with dementia. Your father was such a kind, patient, caring sole. I missed them after Helen left Parkview. Please accept my sincere condolences in the loss of your father.

“ *I considered Jim Tice my friend. He would be in the breakfast room and I would come in to get a banana etc. We would visit a bit. He had a lot of health problems that he would share. A year or so ago Glen and Marilyn's daughter in law and 4 children were in the breakfast room when Jim was there. The children were asking him riddles and he would ask one back. It was a fun exchange!*

I was so shocked and saddened to learn of Jimmy's passing at St. John on Sunday morning. I will miss his smiling face, his great laugh, his beautiful singing voice, and especially the hugs I always looked forward to whenever I saw him at church. He has been through a lot of medical challenges through the years, but always accepted them with such grace. May he rest in peace.

I send my sympathy to your family - I will miss the great friend I had in Jimmy.
