“ *Grandma Jo was an Angel to my children and I. She was especially close to my oldest, Alex, having spent so much time with him. I remember she came with me to my ultrasound for Kiley, as my husband was in Kosovo. She was just as excited as I was that we were having a girl. She helped tremendously in raising my 3 kids. Her youngest great granddaughter, Cadee, loved visiting her in the nursing home. She will forever be missed. We love you Grandma Jo!*
