“ I havn't seen Joanie in many years. She was my cousins cousin by my aunt by marriage. Myself , Margie & Joanie are all 56. Was quite a shock to hear of her passing. Really hits when someone you know passes away is the same age as you. We could have shared alot of memories if we could have only visited . Sad it takes this to bring up all those memories. “ I was very sorry to read of Joan's passing. Starting in 2009 and for over a year and a half after, I made many trips to the IWD office, and visited with her in hopes of finding extra part-time employment. She was always very willing to work with me in any way...even had me participate in mock interviews with prospective employers. She was very happy and proud to have shared her service experiences, and I'm very proud to have known her, through IWD. Thank you, Joan, and God bless you and your family!

“ Joanie was a tireless advocate of Veterans and she always endeavored to do what was right for them; both at her job and in her personal life. She was a great mentor, friend and confidant to many of us at IWD. She was extremely amiable but never hesitated to raise the BS flag on me. Without a doubt, she was a Vet Rep's Vet Rep. She will be sadly missed, but her memory will remain to motivate us to excel in what we love to do.

“ I worked with Joan in her passionate efforts to find jobs for Vets for many years. As time went by, she became much more than a colleague...she became a dear friend whom I respected and loved. Always so cheerful and happy and quick to laugh with a twinkle in her eye! I can still hear her infectious laugh. I will never forget her and how hard she worked for the Veterans who came to her for help with their career search!
