“ How very sad to hear about Joan’s passing. Our son began piano at age 7 with Joan. As Certified Instructors she and I participated in many piano competitions with our numerous students. I learned a great deal from her terrific talent she shared in performances and through her teachings. She will be missed by so many of her students and colleagues.

The family has my Sympathy and Blessings!

Sincerely,

Jeanne Cordes Lueders

“ I was so saddened to learn of Joan's death. She was a dear friend of mine at Windgrace. We often sat together at dinner and I so enjoyed my visits with Joan, along with her dogs and cats. She will be missed by many.

“ I enjoyed working with her in physical therapy. She worked hard and had a great sense of humor! She made me laugh! We enjoyed each other's company
