“ As Johnny became closer and easier with our family I remember Bristow Day street dance and him just cuttin a rug to the music with not a care in the world. What a night we had! Another fond memory is taking Johnny and Emily to the go cart track... oh my would those two compete to win at the track and then also at mini golf. We will miss you very much Johnny.

His mission Everytime at the go-karts was to wipe anyone out and outlap them. 🤪 Being a kid and riding with him in his kart id almost have whiplash as much and he'd crash the other karts out! Lol I will forever cherish those memories.

Emily and family, he had a way of making people feel comfortable and welcome. The few times I got to enjoy his company I saw his sense of humor and most of all his love for you.
