“ My deepest sympathies to John’s family. I met hm(& Jean) while taking my mom to the senior lunches at Nazareth whenever I stayed with her while my dad was out of town. I loved visiting with John! He would always say to me, “you live in Belmond don’t you”! He was such a nice man and always so interesting to talk to. I went to visit him not to long ago after his stroke when my mom was in skilled nursing at New Aldaya. Sadly he didn’t remember me. I will always remember John and I am so glad I got to meet him. Prayers of peace and comfort going out to all of you. I will keep my memories of him in my heart.
