“ I worked with John for six years in the mid-1980s, and I found him to be a wonderful manager who supported my career as a young engineer. He gave me some important advice which I took to heart and has made a difference in my life.

Like John I attended Nazareth Lutheran. While we did not get a chance to talk much in later years, I always enjoyed visiting with him. My family's prayers are with John's family

“ John and I attended Linwood Junior High School together in the mid 1950's We were on several successful basketball and softball teams together. We had not seen each other in over fifty years until a school reunion in Davenport, Iowa last June 2010. I am glad we were able to reconnect. Our prayers go out to Sue and his family.

“ "He was a good friend", that is what you told me when I called to say that Eldon had died. That is what you & Sue have been to the Viner clan for so many years. You guys have been in our lives for over 50 years & we so will miss you John. Hopefully the Chamberlain gang is tipping a heavenly beer. Together at last. Love you

“ *Its probably been since we left Iowa in the 70s since I have seen the Meier clan but I have plenty of memories of all the time that our two families spent together. They were great times. Sue, thanks for you and John being so special to my mom and dad and for playing such a big part of their lives. The Viner clan loves you and is praying for you and your family.*

“ *The Lord has blessed our family with many fantastic memories of sharing time with the Meier's. I will never forget the picnics, nights of cards and games, spending time in your back yard, and the Chamberlin picnics.
John was so good to mom when dad passed away. We will miss him, but his memories will live on.*

*My prayers are with your family!
In Christ's Love,
Debbie*
