“ My condolences to the whole Sherbon clan on the passing of John. I remember as growing up and spending a lot of time with the Sherbon family. Going to the races to watch Jerry and then John race was the best thing in life at that time. Scott and I always had races on who could get to the concession stand the fastest as we shifted gears the whole way. So sad to hear of his passing and I'll hold on to the memories. Our sympathy to the whole family. Rest in Peace John.

“ So sorry to hear about Johnny's passing. My grandparents, Victor and Barbara Mark, also send their condolences as do my parents, Dick and Judy Kramer. I have memories of his stock car racing days and him talking about the track behind University Avenue (Tuness Speedway). He was so kind to my grandparents and I remember him coming to my Great Aunt Lucy's funeral a few years back at New Aldaya to pay his respects. May he Rest In Peace now.

“ Tom and I sure enjoyed talking with John. Anytime he saw us out he'd yell over at us about something. He knew all the latest gossip in the neighborhood. I don't know how he did it. He was always a friendly neighbor and he helped alot of people. He definately had his own opinions. We are sorry that we could not stop by. Tom has a doctor appt. and we are being very careful because of the virus. Our sympathy goes out to all of you.

“ John was such a big help during the later years of my husband, Clarence's life. He made sure Clarence was able to go to the stock car races and helped get him into the stands at Independence. He was a great support to me. He will be missed.

Oh my God!! John was my best man at my (first) wedding. Lost track over the years, and sad to admit that. As good a friend as one could ask for.

He was a friend. We were in CFHS together. He helped me and friends change an engine in an old 50s something ford. We had been making up for lost time on FB. He told me he had had COVID. This whole thing is sad Good Bye, Johnnie!
