“ Brock, Kayla, Ava and Chase,
We are so sorry for the loss of your mom. What a special lady who had such a presence that made you feel comfortable even if you didn't know her very well. God has a plan for all of us even though sometimes we may not agree. Chuck and I had the pleasure of going on many trips with your parents and so enjoyed time with them. You are in our thoughts and prayers.

“ My most recent memories of Joni was this summer I had my 88 yr old father and his friend at Island park for a picnic. I called Joni to see what she was up to. She and Ava were together at the house. She asked where I was, I told her at Island Park having a picnic. She said "Would you like me to come pick you guys up and go for a boat ride?" Of course we said yes! As kids, our dad had a pontoon at Stone's marina and grew up on the river. My dad and his friend were so happy and it gave us pure joy on the river that day. She truly was a selfless, giving person. She was feeling under the weather a few weeks later, I took her out some homemade soup so she didn't have to cook. That is our short version of our friendship. She made the world a better place. My last conversation with her was on the 12th of February, and I shall cherish it forever. God Speed, until we meet again.

“ Brock, Kayla, Ava, & Chase, We are so SO sorry to hear of the passing of sweet Joni. I was so shocked. Please know that we are keeping all of you in our hearts, love, and prayers. Only 2 1/2 years since the passing of Dave. Both gone way too soon. We know they are joined now forever in the arms of Jesus. Your great-aunt "Dolly" (Darlene Weishaar) sends her love and prayers for all of you too. Gone from our sight, but never gone from our love or our hearts. I can only imagine how elated Dave was to see her. I pray you find peace in knowing that one day, we will all be joined with them forever, and the only tears will be tears of elation. So much love and prayers to all of you.

“ Ah - sadness. Joni was so dedicated to supporting the Arts. Working with her on the CF Arts Council was a joy. I remember the day we installed "Nest", the sculpture near N Cedar School, she and the other teachers brought all the kids out to watch the dedication. A beautiful day. Joni said "This is one of the best teaching days I have ever had!"

“ *Joni & her family grew up & lived on our street. We knew her parents and the kids. Joni was a North Cedar girl and had a huge impact to the neighborhood. She was a 6th grade teacher at NC School and her students often helped with the North Cedar Natural Resource Project and supported the North Cedar Neighborhood Association in many ways. She was always willing to make things happen. My wife and I will miss her and we extend our deepest sympathy to her family. She will be so missed and we have lost a great lady. Jim/Jeanna Newcomb*

“ *Brock, Chase and Family,*

It was with sadness that I was informed of your mother, Joni's, death yesterday. I have many memories of her and your dad from my days as pastor of St. Patrick's. Most of the memories I have of your mother are from her dedication to the children she lovingly taught at St. Patrick School.

May Jesus, the model teacher, give your Mom eternal rest in the arms of his everlasting love. May Jesus also fill your hearts with his consolation and comfort.

With prayers for your mom, dad, and you,
