Tribute Wall

“ Dear Jim and John,
I feel so blessed to have known your dear father and to have had the privilege to have been with him so recently. He is a very sweet man who obviously adored his family. It was also obvious how much you adored him as you provided him the most diligent and compassionate care in his failing health. I also had the privilege of working briefly with your mother before she passed. I'm sure they are thrilled to be reunited. Your family is an inspiration to me. May God grant you strength, peace, and eventual healing to your grieving hearts.
Sincerely,
Cindy Mickey
