“ Dear Barb and family,

*I am so saddened to hear of your loss of one of the dearest men I have ever known. Joe was such a great support system to me when we worked together at Sartori and also at the old St Francis in Waterloo. Spent some time with him a couple of years back and just today, 7/15/12, heard that he had made his way to his creator. Knowing that I am very tardy in my condolences, you must know how my heart is saddened. Gods blessings to you and your family.*

“ Dear Tom, Mike, Patty & Kathy,  
I'm so very sorry for your loss. (My Dad is 90 today and both of our families have been so lucky to have had our Dads with us for so long.) To our families, no greater gift can be given than an Irish Father.  
Enjoy the stories that he left to you and tell them again so the little ones know them.

*Keeping you in my thoughts and prayers.*
