“ I want to send my condolences to Joe's family. I met Joe in August of 1986 when he came to work at Basic Materials Corp. Joe was the epitome of hard work, discipline, and loyalty. Joe didn't tell you how to do something, he showed you how to do it.

If Joe wasn't working at Basic Materials he was cutting wood for his wood furnace. Joe was always busy. He was a great guy! The "best of the best!

My heart was broken to hear of his passing. He will be sorely missed! Rest in Peace, Joe!

“ I want to express my condolences to Joe's family and trust that God will comfort them during this difficult time. My brother David, who worked with Joe, introduced me to him. Joe took me ice fishing and taught me everything I know about it. I always looked forward to visiting Joe during my trips to Iowa. Joe was a great guy, a good man and a good friend. I will miss him very much.

“ I knew Joe through my husband who is Joe’s cousin. Joe was a nice quiet guy. I remember going to family parties that were held in Joe’s garage. Then when we used to go to Holiday Lake we would get together with Joe . My condolences go out to Joe’s family.

“ Joe was my cousin, we used to spend a lot of time together, Joe was a very hard working man, it’s been one of my regrets that we grew apart but I guess that happens to family for reasons we have no control over, I will miss him regardless, I know he is fishing again with his dad now, I pray he is at peace
