“ I knew Judi personally. She came into my life at the right moment. Shared memories together and got each other through days and years when nobody cared about us. She didn't need to die as she was a very good human being in anybodies life. Love from David K. Tambornino

“ Last year when I had major surgery, Judi and another friend brought a ham dinner with all the trimmings to our house. We hope Judi realized how much that gesture was appreciated, as this was a very difficult and emotional surgery for me. The love, kindness and support, Judi unselfishly gave will never be forgotten. Rest in peace Judi, we will miss and think of you each and every day. With our love, John Brocka and Melody Moody
