“*I was lucky to have Judy as my mother-in-law for quite a few years. She was such a caring and tender hearted person. Her grandchildren were everything to her. She always made certain that the family would get together as much as possible. One of my fondest memories is that she sure did love dessert and everyone else would always eat too much but she always made room for it! She will be dearly missed. I will love her forever!*
Love,
Debbie”

“ She was such an amazing grandma. She made memories with her grandchildren that we will remember forever. When carter and I would go visit her she would always make us lunch and she enjoyed playing with him so much. I'm so glad to call her my grandma and to have shared an amazing life with her. We have a beautiful angel watching over us and her warm heart and beautiful smile will never be forgotten.

“ I am so sorry to hear of Judy's passing. She and my Mom Pat Jorgensen were very close when Monty and I were babies. Whenever we would cross paths she would always share fond memories of that time in their lives. I am sure my Mom was there at the pearly gates ready to share memories with Judy once again. Thinking of you Monty and Lori..

“ *My loving sister who was always there when I needed someone to talk to, from the time I was six and she spent hours running beside me teaching me how to ride a bike, to the loss of my brother, to the loss of my wife, to the weekly emails she sent me full of news of family and my home town, Cedar Falls. She was always there with understanding and compassion. I will miss you dearly sister.*
