Judy: I can hear you in all your politeness up there in Heaven saying "Thank you Ma'am or Sir" to those that assist you. Hugging those that have gone before you. I can see your happy smile and your smiling eyes~ I love you sis!

“ How lucky are we to know someone that will be so hard to say good-bye to. Memories that we made...all the trips to the folks...all the trips for weddings and funerals...the hours spent by you with Uncle Paul on the couch...making him smile. I'm glad for those memories. I read and realize...you have touched so very many people...it all makes me very proud to have been part of your life...though, distant...Memories will never fade. May your soul rest in peace. Prayers for all of Judys friends and family <3

“ Judy helped me as I got accustomed to the Ansborough Office of Veridian when I switched to that office from Thunder Ridge. She was always willing to help her co-workers and ran the drive up like a well oiled machine. She knew all the regular members and greeted them by name. She was a co-worker and friend to me for over 10 years. Her absence at Veridian will be sorely felt. And, no one could make Rice Crispy Bars as good as Judy. Many are the tears being shed at Ansborough. My heart is heavy for her loss. Dawn Holmes

“ So sorry to hear about Judy! We spent many hours in the Ansborough drive up together. We were listening to the oldies, helping members, and sharing our lives. She always had delicious snacks too! Judy will be sorely missed by regular members and co-workers at Veridian CU!
