“ I was in Judy and Mike's wedding party back in 1959. I knew them well back when they were both students at Upper Iowa University. They were such a beautiful couple and were so happy. They had a beautiful wedding. I feel bad that we grew apart as we were raising our families. I truly enjoyed getting to see Mike and his and Judy's five children the other night. I am sure she will be missed by so many that loved her. I am so sorry for their loss. Our sympathy goes out to the family. May God bless each one of you.

“ I've known Judy since our elementary days at Geneseo Consolidated School. She was generally soft spoken, always kind, and we shared lots of childhood laughter. With growing families, we drifted apart over the years, but still exchanged Christmas cards. I was thinking of Judy and Mike last week and thought if I found a movie we all might enjoy, I would give them a call. Sadly, we'll never share another movie or dinner after. It is with regret that I cannot attend the memorial services today as we have a family funeral in Waterloo this afternoon. Although I cannot be there in body, I will be remembering Judy. Our sympathy goes out to the family.
