“ *I'm so sorry for your loss.... Aunt Judy may not of been blood related but she was an Aunt to me for 25+ years... When I would see her she would have her arms open to give me a big ol hug n tell me she loved me... Last time I seen her was in 2014 at Texas Roadhouse in CF...her favorite place to eat!!! We sat there and talked n laughed... I love her cute little laugh!!!  
Rest in Peace Auntie Judy

“ *Please accept our sincere condolences for the loss of your loved one. This is one of the most difficult things we must face in our life. May it comfort you to know that others are deeply touched by your loss. God assures us at Psalms 34:18 that he is near to those broken in heart and those crushed in spirit he saves. Jesus also promises that we will be able to see our loved ones again. May these bible thoughts bring you comfort at this most difficult time*

*Wish I could be there to pay my respects to the sweetest woman I have ever known. I am still on Dr.s orders to stay off my feet after surgery. Aunt Judy was everyone's aunt biologically or not. She took us all in. She showed us along with uncle gary, what true love looked like. They taught us all by example what faith in God can do in our life and how blessed we are. We will miss you aunt Judy love you to the moon and back more than you know!*
