“ Dear Julie and Jill, I just found the obituary 10 minutes ago . My heart is broken . I loved your mom so much. I couldn't understand why I couldn't get a hold of her. The phone just kept saying I couldn't leave a message. I had no way of getting a hold of your girls. So I just googled Hudson, Iowa and I found the obituary. I know your mom is exactly where she wants to be now . she's suffered enough on earth. She loved her grandsons. We talked for hours about all the fun that she would have with them. I'm so very sorry for your loss. ❤️🙏

“ Julie & Jill;
So sorry for your loss. Aunt Judy was always so kind and considerate of everyone. We enjoyed the times we were able to visit with her when we dropped our boys off to go to camp. Praying for peace and comfort for y'all.
