“ When Dave and I moved to East St., Tom & Julie were the first ones to come over to welcome us to the neighborhood. We all became good friends and Julie and I used to have coffee together in the morning several times a week. I will always remember the wonderful baked goods she made for our little get-to-gathers. She was a wonderful wife, mother and good friend. She is gone way too soon and will be missed by many.

“ My heart goes out to the whole family. She was a proud wife, mother, grandmother and great grandmother. She always talked about each of you and shared the funniest stories about all of you. Her love and commitment to family and her belief in our Lord was inspiring. Her friendship and laughter will be missed. Love and miss you Jules.

“ Julie and our families have been friends for over 58 years, and am very saddened by her passing, I will certainly miss her cheerful hello on the other end of the phone. We had many wonderful times as we raised our families. She was a great person and will always miss her. She helped me through a very bad time in my life. She was a true friend,

“ There are many memories, but some of my favorites are our coffee dates at Panera, our trip to Branson, our trips to Amana Colonies with Don and Annie, and all the laughter at our "Game Nights" with Lori and Dave. We will always love you dear sister-in-law and friend---til we meet again. Duane and Linda
