“ I have known June since I was a little girl swimming on the Cedar Falls Sailor Swim team. We would spend every week end at a different swim tournament in a different town. Mark was one of my first Childhood boyfriends. The first person I ever went steady with. In the 1960s it was much different than it is now. I remember breaking up with him when I turned 16, and I was able to drive, and mark couldn't for a few months.

We had some fun times. I send condolences to Mark to Todd and Also to Dick. Dick was my swim team coach. when he first came from California. You have my sympathy, its hard loosing a mother and a sister.

Sending my prayers,
And hugs.

“ My dear friend, June Bug. So many many memories have come flooding back. Like, when we met walking in College Square Mall, and you inviting me to have coffee with the "HyVee" Coffee gang. Then all the plays that we attended at the Oster Theater. Remembering our trip with my sister Cathy, when we dropped you off at Mark's and we went on down to my Aunts. That terrible horrible motel that we stayed in??????? You sure did not like Cathy talking on the phone when she was driving?#?#?#?#?# I think the best memory was when you joined me for a family reunion in Tennessee!. White water rafting was sure harder than we thought. I remember you laughing when my convertible was "borrowed". Our HyVee round table, will certainly miss you. Yes, June we have had many many laughs. Thank you to June's family for sharing her with me. God Bless
