“ I am so sorry to hear this about June! My parents, Neil & Rose Gallagher lived across the road from them on Lake Beltrami. They always looked forward to them arriving there in the spring and hated to see them leave in the fall! Dave and June both became dear friends of my parents, and enjoyed visiting each other often! I am sure my mom and June are having a great time in heaven keeping each other company!

“ *My very sincere condolences to Dave, Judd, Maggie and Jenna and all the Mazur family. June was a very good friend of mine starting in 1st grade, through high school, college and on into adulthood. Although distance and life separated us in later years we kept in touch and like all old friends we could always just pick up where we left off. I am in shock and will always remember our good times together and her infectious laugh. May she rest in peace.*

I can't believe sweet June is gone. Every time I moved in my younger years she and dad were there to paint over all my kids artwork scribbled on the walls so I didn't get charged my deposit. I can't imagine not sitting in the yard this summer listening to her stories about wearing Marion's party hose to school or something else ridiculous and totally hilarious. Why does God take all the good ones so soon? Life sure feels empty to me these days without her and dad in my yard drinking coffee. I sure will miss you Aunt June. Thank you for all you were always doing for my family. I miss you. Give my dad a big hug for me when you see him, and Aunty Jill as well. ❤️

Our sincere sympathies go out to Judd, Maggie, Jenna (Targie & children), Dave and entire family as they say good-bye to a very special lady. After we moved in here in the 90's, June was our first neighbor to come calling on us and we learned then what a kind, fun-loving, helpful, talented, and caring person she was in every way. Our prayers are with each of you as you make this journey. Larry & Sue Ravn
