“ I adored June! She was so kind, gentle, full of joy! I worked for her at the University of Northern Iowa in the library in early 1980's and I cleaned house for her and her husband "Stag" in Cedar Falls. I found her in Hawaii some years ago and rang her. She was very happy with her companion, Jack Russell. I was happy for her to find joy again after Stag had died because I knew how much she had loved him. I lost touch with her again but, I have never forgotten her! Thanks for the fond memories June! Love, Melanie

“ I knew June through my grandfather Francis E. Smith. She helped my grandfather when his last wife was dying by bring food over to his house. Also she was good friend to my grandfather too. My condolences to the family.
