“ My deepest sympathy with the passing of Katherine, a wonderful woman I am glad I had the pleasure of knowing and the honor of attending as her physician. I am in New Mexico attending a medical conference and will be unable to attend her visitation or funeral, but I will miss her as I am sure you all do. I learned of her death from remote access to our electronic medical records system. I know this will be a hard time for Gene, and anything I can do to help his grieving this loss, let me know. I will remember her, as I do her mother, spirited ladies who were loved by so many. Steve
