“ Her passing was announced on the Waterloo Industries Facebook page and the positive, loving comments poured in. She was loved and respected by all. Friendly, caring and a classy lady. Always smiling. She was my first boss when I was just 18 and I went on to work there 26 years, working for Kathleen for the first 4 years or so. She was the best! I'm so sorry for your loss. *So sorry to know of your loss of Kathleen (Kay.) She was one of my prayer partners along with Mary Cook @ the Columbus High School Chapel for Perpetual Eucharistic Adoration in the very beginning, 2007. She was so faith full, faith filled & delight full! Charlie was her dear friend & we all became friends. It was a sadness for Kay when he died. He was deeply missed. She loved visiting with your nieces & nephews. Kay treasured all of you. Grateful to have known Kay. Be comforted knowing she rests peacefully in the Loving & Merciful Presence of our Lord Jesus in her "Eternal Home. Sincere Sympathy,

To the Family of this wonderful person. She was always so welcoming to all of us Sulentic children as we rampaged through the offices at Waterloo Industries. What a beautiful kind woman she was with her infectious smile. May she rest in peace.
